

Dharma Donkey Sanctuary

Sagroli Tq. Biloli Dist. Nanded 431731 Maharashtra

An exercise
to attend Neglected
Equine-Donkey

Annual Report
2020-2021

Donkey plays a vital role in agricultural goods transportation in the rural area. The communities like potter, Washer men and Kaikadirear donkeys for their livelihood. Despite their remarkable service, they are the least cared equines. The vision of the project is "Healthy Working Equine". We realigned the injustice to their poor equines quite early and started inclemently welfare activities within Nanded District.

The Dharma Donkey Sanctuary was established in the year 2000 under the auspices of Smt. MANEKA Gandhi, the then Cabinet Minister and Animal lover, Ratilal Shah, USA and supported by Brooke hospital for animals, Blue cross of Hyderabad, Sanskriti Samvardhan Mandal Sagroli, and many other Animal lovers.

9	Rohit Pramodrao Deshmukh	Trustee	Sagroli Tq.BiloliDist Nanded 431731	rohit@ssmandal.net

Aims and objects of DDS

Realizing the importance of Animal Care along with childcare, we started Animal Care program. Our aim is to provide free health services to donkeys, dogs and other animals. The programs also aim at creating a sense of animal love among the community in general and children in particular. Our main objectives are to provide shelter and medical care to old, wounded, pregnant and sick donkeys, arranging vaccination & deworming camps for donkeys, capacity building of Local Health Providers, minimize the gap between Government local veterinary clinic & local communities through advocacy at various levels, arranging camps for dog sterilization etc.

What we do...

All of our activities aim to achieve the following status for the Donkey.

Five freedoms of equine

1. Freedom from Hunger and thirst.
2. Freedom from discomfort.
3. Freedom from pain, injuries and diseases.
4. Freedom for expression of their natural behavior.
5. Freedom from fear and distress.

Areas of our activities

1. DDS offers medical help to the donkeys and other animals of equine family in the event of as accidents, when they suffer skin diseases, wounds recovery, sterilization, tetanus, bellyache, etc. The Veterinary officers and Live stock officers of DDS attend the purpose.
2. Educate owners on equine welfare.
3. Capacity Building of our local service providers (LHP, government veterinary officers, Ashwamitra, hair clippers, etc.)
4. Provide emergency & regular quality veterinary treatment to working equines;
5. Develop relationship with policy makers and motivate them on equine welfare.

Welfare activities conducted during the year 2020 - 2021

1) Veterinary care

Sr. No.	Animal type	No. of Animals	Diagnosis	Given veterinary care
01	Donkey	12	Injury due to nail, lameness eye infection colic general checkup	lhj. phenylbutazone, dressing, eye drop (Genta, Dexa)+ RL inj. phenylbutazone
02	Dog	17	Dog bite, Diarrhea, vomiting, general, checkup Gastro.	Dressing, Antirabies protocol inj. Sulphadiazin, inj. Ondem + inj. Rantac, Tab B.pex, Inj. RL+DNS+Metro+Ondem+R antac+Tribivet
03	Goat	07	Atresia Ani, skin infection, Lameness, Pneumonia.	Minor Surgery + inj. Melonex + inj. Gentamycine+inj.RL, inj.lvermetin, inj. Ketoprofen, inj. Enro + Genta=inj. Dexa
04	Buffalo	02	Inappetance, Wound	Inj. Melonex + otc + Tribivet, Dressing + inj. DC+ Melonex.

2) **Water holes**

Provision of water to animals is crucial during summer. DDS had built two waterholes at key areas to suffice the thirst of Donkeys and other animals.

3) **Online Zoom meet**

In the midst of covid 19 restrictions an Online meet of DDS Governing body was organized. The participants exchanged views on scaling up welfare activities for the animals and their owners. In a remarkable development, It was unanimously decided to establish SPCA (Society for the prevention of cruelty to animals.) at Sagroli as soon as possible. The responsibilities were distributed.

4) **A Full-time DDS hospital for Equine animals Opened**

Veterinaries play a vital role in rebuilding and improving animal care system. As far as equine animals are concerned, they are deprived of health care due to negligence of owners and limitation for treatment in Government Veterinary hospitals. On account of these facts DDS has established a full-time veterinary hospital offering health care for equines (in particular) and other domestic animals located at and around Sagroli. The hospital has become fully functional since December 2020.

5) Vaccination camp for Donkeys

Sr. No.	Date	Camp Organized at	No. of treated animals	Participated donkey owners
01	23 Dec. 2020	Sagroli	213	19
02	25 Dec. 2020	Arali	158	20
03	28 Dec. 2020	Mugaon	87	10
04	29 Dec. 2020	Barbada	68	08
05	01 Jan. 2021	Sujlegaon	102	12
	Total	05 Village	628	69

Impact of Our Efforts

- " Donkey owners and other animal owners have had guidance by veterinary officers and experts.
- " Animal keepers realized the problems of Donkey and other animals and learned how to take care of animals.
- " DDS proved to be the platform that offers veterinary care with commitment to the animals.

Our partners in Service of Equines

- " Brooke hospital for animals.
- " Blue cross of Hyderabad
- " Sanskriti Samvardhan Mandal Sagroli Dist. Nanded
- " Animal lover, Ratilal Shah USA.

OUR SAY...

1. “Dharma donkeys sanctuary which was started with the intention of medically taking care of working donkeys. This project has proven great help in way of their health benefits of the animal but has indirectly has also benefitted the donkey owners as health animals can work more. It would be great if others seeing the work of DDH also introduce such methods for working animal welfare.”

**Hoshang Bilimoria Trustee
DDS.**

2. Donkey is used for sand transportation purpose especially during summer during this it may have heat stroke. DDS hospital for equine animals offering pertinent treatment of heat stroke for Donkey Animals.

**Gangadhar Ibitwar
Donkey Owner**

3. With the help of DDS hospital for equine Animals we have been able to take care of donkeys productivity of donkey has increased and per donkey is getting 350 Rs. Income in a day previously it was only 200 Rs.
